

ANATOMICAL PATHOLOGIST – MATERNITY LEAVE POSITION

- Maternity leave position – full time contract
- Based in Melbourne
- Be part of a dynamic, highly skilled and passionate team

ASAP Laboratory is a leading diagnostic pathology laboratory based in Melbourne. ASAP have a team of 6 pathologists, with broader access to Australia's largest network of veterinary pathologists as part of the nationwide Specialist Veterinary Services (SVS) Pathology Network group. We provide diagnostic pathology services for companion animal, equine, production animal and exotic animal veterinarians, as well as university and research institutions. We are NATA accredited for compliance with ISO 17025 with highly skilled staff and loyal clientele.

We are seeking a full-time anatomical pathologist for a maternity leave position commencing in April 2020. The successful applicant will be an experienced diagnostic pathologist with excellent customer service and communication skills, and a commitment to high-quality reporting.

Candidates must have a veterinary degree suitable for registration in Australia. Board certification (ACVP/ECVP) is preferred, although board-eligible applicants will also be considered.
